HIRING SOLUTIONS FOR A MORE DIVERSE AND INCLUSIVE WORKFORCE

Join us to learn how the International Rescue Committee (IRC), a non-profit based here in Atlanta, has helped numerous businesses find cost-effective staffing solutions while increasing diversity and inclusion at the same time.

The IRC helps refugees from all over the world, including medical staff, lawyers, and teachers, who were forced to flee their homeland. The IRC has placed highly skilled individuals at companies like Kuehne + Nagel, Sodexo and Grady & Piedmont hospitals providing dedicated employees and reducing turnover for their employers, while enabling those who have overcome unspeakable tragedies to make use of their skills.

Our speakers will highlight the importance of Diversity and Inclusion (D&I) in the workforce, share their experience working with the IRC and explain how you can benefit from the IRC's Employment program. The event will be moderated by Jorge Fernandez, consultant at the Pendleton Group. We hope you will join us! Register [HERE](#)
